RE: Stimulus Reporting for 2010, Quarter 3 (2010-Q3)

Thank you for your ongoing assistance with stimulus grant reporting. In addition to ongoing education-specific monitoring conducted for the US DOE, Section 1512 of the American Recovery and Reinvestment Act (ARRA) requires recipients of all stimulus funds to report on their use no later than ten days following the end of every quarter.

The quarterly ARRA surveys for Indiana school corporations are now available at <http://doe.arra.in.gov>. So that the state has time to validate and summarize these responses, we ask that you complete all of your 2010-Q3 surveys by the end of the day on Tuesday, **October 5, 2010**.

How Many Surveys to Complete

There is a separate quarterly survey for each grant that has been given to every school corporation. For example, if your corporation received Title I, Special Ed, Pre-School, Ed Tech, and Homeless funds, then you would have five separate surveys to complete. *Please see the attached spreadsheet following this memo documenting which grants each school corporation received.* (There are 30 corporations who have no surveys to submit this quarter; these corporations have been **grayed out** on the spreadsheet.)

There may be cases where an individual corporation expended all of a particular ARRA grant prior to the start of this reporting quarter (July 1, 2010). However, the state must continue to submit quarterly reports until all program funds have been spent by all recipients. Even if there was no activity in the last three months, please answer the survey to that effect anyway.

Note that the *Stabilization* and *School Lunch* programs are no longer listed because all of these funds are assumed to have been spent prior to July 1st. If that is not the case and you have activity from the past three months to report, please contact Peter Miller at (317) 234-4418 or pmiller@omb.in.gov so that your individual survey can be unlocked.

Calculation of Jobs

The calculation of Full-Time Equivalents funded by ARRA dollars is **not** cumulative. The *Number of Hours* field should include only hours worked during the period July 1 through September 30, 2010. The *Number of Jobs* field then is simply the Number of Hours **divided by 520**. (This figure represents the number of work hours in a calendar quarter.) For reimbursement programs, even if you have not yet received payment, any hours worked during this quarter anticipated to be ultimately funded through ARRA dollars should still be reported.

Vendor Information

Unlike the jobs calculation, the vendor information **is cumulative**. That is, any vendor receiving a payment over \$25,000 from the beginning of the grant must be listed, not just those since the start of this quarter. For each vendor with whom there was a transaction of \$25,000 or over, you must report either the name and full zip code (zip+4) of the vendor, or the DUNS number of the vendor. The actual amounts spent do not need to be entered.

To avoid retyping vendor information from previous quarters, follow these steps:

- 1) Access your survey for the program from the previous quarter (2010-Q2).
- 2) Click "Edit Details" under Vendor Details.
- 3) Click "Download Report."
- 4) Save the CSV file to your hard drive or file server.
- 5) Access your survey for the program for this quarter (2010-Q3).
- 6) Click "Edit Details" under Vendor Details.
- 7) Click "Import File" and select CSV you just saved.
- 8) Enter any new vendors, and then "Save" and "Close" vendor screen.

To simplify the report, it is requested that you not include vendor payments less than \$25,000. Likewise, funds spent for employee salaries and benefits should not be included. Payments to the school corporation itself, health insurance companies, or the Internal Revenue Service are not considered vendor transactions.

Logins/Passwords

Each corporation has been assigned one login using the superintendent's first initial and last name. This one login should be shared by any staff members doing the data entry. If you can't remember your password or have other problems logging in, please contact OMB at either (317) 234-2109 or support@arra.in.gov.

Program Specific Questions

Documentation for what data to enter into each field is available in the online system, either by moving your cursor above each data-entry field, or by selecting the "Help" menu. If you are still not certain how to answer a particular question, please contact the DOE manager(s) responsible for that ARRA program:

- **Title I & Homeless** – Hazel Beasley: (317) 232-0597 / hbeasley@doe.in.gov
Sharon Cook: (317) 232-0567 / scook@doe.in.gov
- **Special Ed (Part B & Preschool)** – Robin Parker: (317) 233-5435 / rparker@doe.in.gov
- **Educational Technology** – David Ryan: (317) 232-9119 / dryan@doe.in.gov, or
